case. I am not looking for generalities here; I am looking for in-depth discussion of the benefits or the damages. Be extremely careful to use correct reference citations! Rubric 3 Please include a heading for this section. Your literature review should have researched the managerial problems, ethical

...continued...

lapses, and lack of transparency with regard to the Lehman Brothers failure, so these are the types of points you should focus on when formulating your discussion on the third rubric. What are the lessons that should have been learned? Be extremely careful to use correct reference citations! Rubric

4Please include a heading for this section. Based on the groundwork presented in your literature review, discuss whether or not it is likely that a similar catastrophic failure like Lehman Brothers could occur again, in today's financial environment, given the regulations that were put in place

...continued...

following Lehman Brothers' collapse and the ensuing financial crisis. Remember, it is NOT appropriate to make a statement of personal opinion. Any conclusion you present MUST be supported by the sound data and research by your references, as presented in your literature review. Be extremely careful

should discuss in detail the data that supports the American economy being either stronger or weaker as a result of the reforms that have been put in place following Lehman Brothers' bankruptcy. You should list those reforms and explain how each was intended to change the system, and then provide

...continued...

support that either they have or they have not accomplished their intended goals. Be extremely careful to use correct reference citations! Rubric 6 Please include a heading for this section. This rubric is tricky because you are to relate the credit crisis to your own personal experience or that of

...continued...

someone with whom you are acquainted. But, you should NOT write this in the first person active voice! This is NOT a personal essay; it is academic research writing. This means that you should not discuss this as a personal experience, but rather you should use your experience as the context for the

...continued...

general experiences of many Americans during that time. So, what you should do is take this experience (either yours personally or someone else's) and write about it as if you were a journalist reporting on the effects the credit crisis had on the average American. You will use the details of the
